INJURY / ACCIDENT DURING A RACE

- 1. For participants who have a congenital disease, it is mandatory to bring personal medication (example: inhaler).**
- 2. The safety of participants during the event is the responsibility of each participant.**
- 3. Emergency medical contact services are available on the back of the BIB barcode with information on the identity, location, and condition of the participant.**
- 4. The organizer is only responsible for providing first aid treatment and transporting to the nearest hospital, in the event of an injury / accident during the race.**
- 5. Participants who need further (intensive) help when injured are the responsibility of the participant.**
- 6. Participants agree, know, and understand the risks and dangers that arise from participation in the competition and to not have the right to sue the organizer for any events that may cause bodily injury, disability or death.**

WINNER DETERMINATION

- 1. The participant who is declared the winner is the participant who finishes the competition with the best time, in accordance with the category and race route specified, wearing a chest number in accordance with personal data at the time of registering and not committing any fraud.**
- 2. Prize collection cannot be represented or transferred and is required to show the original identity of the participant. in accordance with registration data.**
- 3. The committee has the right to give prizes in any form (cash, transfer, goods) with a set period of time.**
- 4. The prize tax will be borne by the winner.**
- 5. Winners in the Master category are only runners aged 45+.**

DISQUALIFICATION

- 1. The organizer reserves the right to disqualify or exclude the participant (from all competitions) and the registration fee is considered forfeited, if it is proven to have provided incorrect data and information.**
- 2. Participants who complete the match outside the above provisions, are considered canceled and are not entitled to a medal / prize.**
- 3. Participants who start the race outside the specified time will be disqualified.**
- 4. Participants who do not follow other rules that have been set by the organizer will be disqualified.**

HOW TO USE BIB

- 
- 1. Participants must wear their BIB number (chest number) on the front of their shirt. It is not allowed to place it anywhere other than the chest to ensure it is clearly visible.**
 - 2. Registration and participant chest numbers cannot be transferred or sold to other parties.**
 - 3. It is prohibited to bend, tear, or perform any actions that may damage the chip and result in the loss of your personal results.**
-
